INNOVATORS IN HOME AIR DISTRIBUTION PRODUCTS

A RICH HISTORY IN AIR VENTILATION

Dundas Jafine is a renowned manufacturer of air distribution products. For over 80 years, we have been bringing the finest quality air movement products to the marketplace.

The driving force behind any successful company is a vision. A sense of corporate purpose that trickles down through all areas of the organization.

At Dundas Jafine, there is a commitment to do whatever it takes to build on our industry leadership position to satisfy the needs of our customers.

A COMMITMENT TO QUALITY

Dedicated to continuous improvement, Dundas Jafine's quality is reflected in the materials used in our production and the excellence of our manufacturing processes.

A COMMITMENT TO SERVICE

Dundas Jafine puts the customer first, satisfying demands, listening to concerns and acting upon requests.

A COMMITMENT TO THE FUTURE

Supporting our customers by developing new and innovative products, competitive pricing, strong promotional programs and a "Do it right the first time" order processing is our promise.

EXHAUST HOODS

NUT DRIVER READY!

- Wide mouth design provides maximum airflow
- Removable pest screen for easy cleaning of lint and debris
- Snap on aluminum pipe to cap assembly eliminates the need for lint trapping staples
- UV resistant plastic prevents discoloration
- Molded edge helps maintain a clean caulking application

- Allows for easy attachment of current in-wall oval shaped ducting to round dryer transition ducting.
- Made of high impact polystyrene, the built in threading system allows for a quick connection to flexible aluminum foil or semi-rigid aluminum dryer ducts with no clamps or duct tape required.
- A 4" galvanized steel worm drive clamp to connect the in-wall oval shaped duct to the oval portion of the adapter.
- The adapter can also be easily disconnected for regular cleaning of the dryer duct.

NEW

- Provides a space saving solution for your dryer venting
- Prevents dryer duct from being crushed
- Built in trim cover to complete finished look
- Suitable for use with gas and electric dryer applications

NOTE:
To be used in 2"x 4" or 2" x 6" wall applications

Product Code	UPC Code 060672	For Duct Size	Packaging	Pack Qty.	Pack Wt. (lbs)	Pack Cube (cu. ft.)
MDRB	802128	4"	Bulk	2	4	0.78

Material: Steel
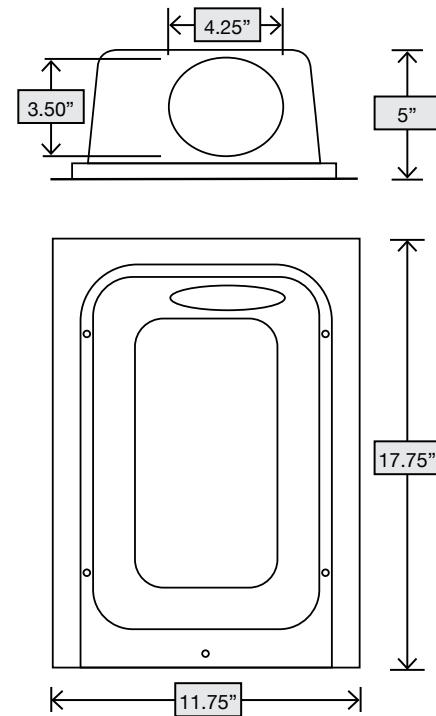

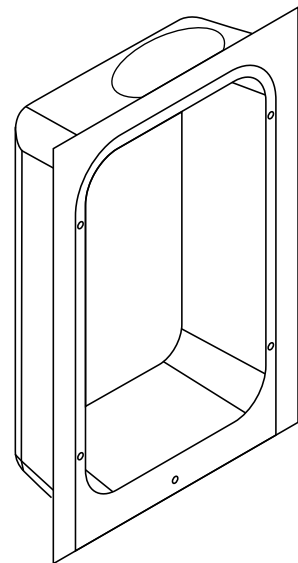

- Dryer can be pushed up against the wall of the laundry room, saving space
- Prevents duct from being crushed
- Oval to round duct adapter threads onto duct requiring no clamps for installation
- Suitable for gas and electric dryer applications

Product Code	UPC Code 060672	For Duct Size	Packaging	Pack Qty.	Pack Wt. (lbs)	Pack Cube (cu. ft.)
DRB4XZW	802005	4"	Bulk / Cut Case	2	4	1.04

Material: High Impact Polystyrene Meets UL Standard 94HB tests for flammability
